Note:**Notes contain important information.****Warning:****Warnings indicate special methods or handling procedures which, if not followed properly, may result in serious injury.**

Technical Data Sheet for the NG1 Power Supply

1 General

The power supply transforms the supply voltage into direct voltage. This direct voltage serves to supply the Electronic Position Transmitter ESM or the Electronic Position Indicator ESG, for example. The NG1 power supply is built in a snap-on casing for the top hat rail (NS-35).

3 Technical Data

Input voltage	220V, 50-60 Hz
Output voltage	24V DC
Output current	max. 300mA
