	C8z1	В	A-Cover complete

Teil	Туре	Designation
C801	Е	A-Cover
TS	В	Spare name plate with blind rivets
11.4.2	В	Smartcon control unit complete with original Schiebel factory parameters (serial no. is required)
CSCSI-USB	В	Smartcon Interface & CD with Software for Windows 2000/XP/Vista to save or transfer adjusted actuator data via infrared USB 2.0 interface for PC, CD with installation instructions.

ATTENTION:

Please state for each spare part order our 7-8 digits long fabrication number and actuator type (see actuator name plate near the hand lever). Only original SCHIEBEL spare parts should be used. Failure to use original spare parts voids the warranty and exempts SCHIEBEL from any liability. Delivered spare parts may slightly vary from the representation.

Type E = single part Type B = assembly group VPE = package

o.r. = on request o.i.a. = only in assembly group available

Sales and delivery according to our general conditions of sale.

Issue 01/2011
